

Marco Ricci. Photographer.

Marco Ricci is an innovative photographer, who specializes in commercial, industrial and architectural photography. Born in Italy in 1973, he moved to Morocco in 2005, and founded one of the leading photographic companies, 'KAOTIC Photography'. As a former 3D graphic artist, and using digital techniques, he has been able to build a large client base, and has worked on many prestigious campaigns. In 2014, he was honored to be one of the 'greatest photographers' Fujifilm had chosen to be their ambassador.
